Milesight

Smart Entrance & Exit Management Solution for Middle East

Milesight Dual-Light Entrance & Exit Camera

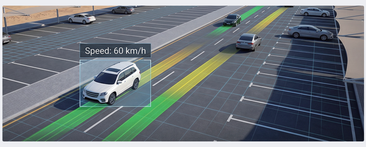

24/7 Full-Color Night Vision

Dual-Light Technology (White Light + IR) delivers accurate license plate recognition and full-color evidence capture around the clock.

Designed for Low-Speed Vehicle Access

Reliable recognition performance for vehicles traveling at speeds up to 60 km/h.

8MP Ultra-High Resolution

Captures sharper vehicle details and clearer license plate images.

Built for Access Control & Parking Management

Supports up to 100,000 local allowlist/blocklist records for efficient vehicle management.

Application Scenarios

Vehicle Entry Control & Authorization Management

- Enabling allowlist/blocklist management and recognition of unlicensed vehicles, precisely and efficiently regulating vehicle entry and managing authorized access.

Parking Fee Management

- Supports broad compatibility with parking backend systems, enabling seamless integration and efficient automated fee collection for both ticketed and ticketless parking.
